

May 6, An Updated Message from MeiGray President Barry Meisel

Thanks to all of you for your kind words and thoughts throughout the month. At MeiGray, we are doing our best to serve you, our loyal collectors, and our hobby, while practicing social distancing and adhering to New Jersey's guidelines in the battle against the Coronavirus (Covid-19). New Jersey Governor Phil Murphy today issued NJ Executive Order 138, which directs through June 5 MeiGray's ability to operate as an On-line Business during these challenging times. We will continue to fully meet the needs of our clients, to the best of our ability, given the sacrifices we all have to make as citizens of the world facing the growing pandemic. As our nation and the world continues the fight against Coronavirus, our sales and authentication teams are working from home, and our warehouse staff is staggering its hours so we can process and ship orders. Our sales and authenticators are connected to our communications systems, so we can answer your emails promptly. We greatly appreciate your loyalty and continued business. We are answering emails within 12-24 hours. We are shipments made 24-48 hours after orders are placed. Auction results are processing with 48-72 hours. If you place a call and leave a message, please allow 24 hours for a response. We highly encourage emails to sales@meigray.com and auctions@meigray.com, since those are being monitored daily from our employees working remotely from their homes. Most importantly, continue to follow the nation's guidelines. All of us want all of us to stay safe, and healthy.

All our best, Barry and the entire MeiGray Family
